5. Loan Servicing.

5.1. **In General.** While any portion of the Purchase Price is outstanding, Servicer shall continue to act as the servicer with respect to the Loan(s), pursuant to the Loan Servicing Agreement attached as Exhibit A (the “Servicing Agreement”) unless otherwise agreed upon by the parties in an addendum or other written agreement. By signing this Agreement, the Investor acknowledges the servicing of the Loan shall be performed in accordance with the terms of the Servicing Agreement, subject to the rights, privileges and obligations conferred to the parties by this Agreement.

Owner and Servicer shall exert commercially reasonable efforts to minimize any such interim period.

6. **Attorney Selection.** While any portion of the Purchase Price is outstanding, the Investor shall retain Activist Legal LLP, a law firm affiliated with preREO, to manage Legal Actions, in accordance with the standard terms and conditions of Activist Legal LLP. The Investor may replace Activist Legal LLP with another law firm designated by the Investor provided that (i) the replacement law firm is experienced in defaulted mortgage loans, (ii) the replacement law firm is licensed in the relevant jurisdiction(s), (iii) the replacement law firm can manage foreclosure activity through Black Knight Servicing Technologies, LLC’s LoanSphere Default Technology products, (iv) Activist Legal LLP is paid in full for services performed prior to being replaced, (v) the replacement law firm is reasonably satisfactory to the Owner and Servicer, and (vi) the Investor pays the Owner an amount equal to 25% of the Purchase Price, in addition to the Down Payment.

7. **Representations by Owner Concerning Loan(s).** The Owner hereby makes the following representations and warranties to the Investor with respect to each Loan:

7.1. **Schedule A.** Unless otherwise noted on Schedule A, the servicing records of the Loan contain no record of any currently pending loss mitigation, currently pending or recent bankruptcy action, or other indications of the borrower’s intent to cure the underlying default on the Loan.

7.2. **First Lien.** The mortgage or security agreement securing the Loan is a valid, subsisting, enforceable, and perfected first lien on the Secured Property, including all buildings on the Secured Property, subject only to:

7.2.1. Covenants, conditions and restrictions, rights of way, easements and other matters of the public record as of the date of recording acceptable to mortgage lending institutions generally in the area in which the Secured Property is located;

7.2.2. Such other matters to which like properties are commonly subject that do not individually or in aggregate materially interfere with the benefits of the security agreement which together with a promissory note comprises the Loan(s);

7.2.3. Any generally applicable foreclosure moratoriums or delays; and

7.2.4. Any unrecorded mechanics liens to the extent having priority over the Loan under applicable law.

8. **Buyback.**

8.1. **In General.** If, within 60 days after the Effective Date, the Investor discovers a breach of any of the representations and warranties set forth in Section 7 with respect to any Loan that materially and adversely affects the value of such Loan, the Investor shall give prompt written notice to the Owner, accompanied by any evidence supporting such claim. The Owner shall have 60 days after the date of such notice to cure any breach. If such breach cannot be cured before the expiration of such 60 day period then, at the Investor's option, the Owner shall repurchase the Participation Interest for an amount equal to the Repurchase Price.

8.2. **Exclusions.** The Investor shall have no claims against any of the parties hereto with respect to (i) fraud, misrepresentation, or omission in the origination or modification (other than modifications performed by Servicer) of any Loan; (ii) compliance or non-compliance with underwriting guidelines or other underwriting standards or protocols in the origination or modification (other than modifications performed by the Servicer after the Effective Date) of any Loan(s); (iii) appraisal or valuation deficiencies in the origination or modification (other than modifications performed by Servicer after the Effective Date) of any Loan(s); or (iv) the existence or validity of any mortgage insurance policy related to any Loan(s).

9. **Diligence.** The Investor has been urged, invited, and directed to conduct such due diligence review and analysis of the Loan(s), together with such records as are generally available to the public from local, county, state and federal authorities, record-keeping offices and courts including, without limitation, any relevant court records, if any, as the Investor deemed necessary, proper or appropriate in order to make a complete informed decision with respect to the purchase and acquisition of the Participation Interest. The Investor's decision to purchase the Participation Interest is based upon its own comprehensive review and independent expert evaluation and analysis of the Loan(s). The Investor has made such independent investigation as the Investor deems to be warranted into the nature, title, attachment, perfection, priority, validity, enforceability, collectability, and value of the Loan(s), the title, condition and value of any collateral securing the Loan(s), the market conditions and other characteristics of the places where any such collateral is located, and all other facts it deems material to the purchase of the Participation Interest in the Loan(s). The parties hereto have made no representations to the Investor other than the representations set forth in this Agreement. Without limiting the preceding sentence, the parties hereto have made no representations concerning the market value of the Secured Property.

Initial here: [REDACTED] to confirm you agree to the foregoing provision.

10. **No Guaranty; Standard of Care.** No financial result is guaranteed to the Investor. The Investor is fully familiar with the business of investing in distressed mortgage loan(s) and the risks associated with such investments.

Initial here: [REDACTED] to confirm you agree to the foregoing provision.

11. Rights and Responsibilities of Investor.

11.1. **In General.** Except as otherwise provided in this Agreement, and the tasks typically delegated to a mortgage loan servicer, the Investor shall direct and manage through the Servicer (i) the Foreclosure Sale, (ii) the disposition of the Secured Property through Foreclosure Sale, and (iii) the REO after Foreclosure Sale. To ensure proper accounting and maintenance of the Loan's servicing record, payment of any amounts by the Investor outside of this process shall be solely the responsibility of the Investor absent express consent of the Servicer.

11.2. **Property Preservation.** The Investor shall be responsible for property management and disposition services with respect to any Secured Property or REO, including analysis of sale potential, property management (including maintenance, repairs, and securing of such Secured Property or REO to render it compliant under local law and marketable in the future). The Investor shall, either itself or through an agent selected by the Investor, manage, conserve, protect and operate the Secured Property or REO in the same manner that it manages, conserves, protects and operates other secured property or real estate owned for the Investor's own account, and in the same manner that similar property in the same locality as the Secured Property or REO is managed, so long as in compliance with applicable law.

11.3. **Hazard, Flood Insurance.** The Investor shall be responsible for hazard insurance, flood insurance, and any other insurance required by applicable law. In the event of actual or pending ineffectiveness of hazard or flood insurance on the Secured Property, Servicer shall cause any and all notices required by applicable law and regulation to be mailed and shall procure from an independent insurance provider at the expense of the Investor commercially reasonable forced placed insurance ("FPI"), such FPI to be similar if not identical to the coverage parameters outlined in Schedule D hereto. In the case of flood insurance, Investor shall only be responsible for such flood insurance if such a policy is required by applicable law or regulation.

11.4. **Property Taxes.** The Investor shall be responsible for payment of property taxes on the Secured Property, inclusive of all current but unpaid property taxes due. Investor understands and acknowledges that there will be no proration of such current but unpaid taxes. Notice shall be provided to Investor's designated email address at least seven days prior to disbursement of funds for payment of property taxes due or coming due on the Secured Property. In the absence of timely, clear instruction to refrain from payment of property taxes from Investor, Servicer shall disburse funds for payment of said property taxes. If Investor elects and timely communicates to Servicer a directive to refrain from payment of property taxes, Investor thereby assumes responsibility for all penalties, losses, liabilities, claims, causes of action, damages, demands, additional taxes, fees, costs and expenses of whatever kind, arising out of or incurred in connection with such non-payment.

Initial here: ***to confirm you agree to the foregoing provision.***

11.5. **Delinquent Taxes.** Investor acknowledges and understands that Owner shall include as part of the Purchase Price the amount of any delinquent property taxes and property tax penalties due and owing in relation to the property as of the Effective Date, with such amount accruing interest at the Interest Rate as part of the Purchase Price. Investor acknowledges that Owner has engaged in a commercially reasonable search to identify any such delinquent taxes, however if

such delinquent tax amounts are later discovered, such delinquent tax amounts may be considered a Standard Expense for which Investor is responsible under the provisions of this Agreement.

Initial here: to confirm you agree to the foregoing provision.

11.6. **Property Disposition.** Any sale or other disposition of Secured Property or REO shall be carried out by the Investor at such price and upon such terms and conditions as the Investor shall determine. The Investor shall be responsible for issuance of any foreclosure bidding instructions. Any final proceeds from the sale or other disposition of the Secured Property or REO shall be deposited in an account designated by Owner and distributed to the Investor, net of any funds owed under this Agreement. The Investor shall be responsible for the expenses of such sale or other disposition and all Standard Expenses, including amounts owed to third parties as a result of Foreclosure Sale, or as otherwise owed under applicable law.

11.7. **Bankruptcy.** If the Investor has actual knowledge that an obligor to any Loan is the subject of a proceeding under the Federal Bankruptcy Code or any other similar law, has made an assignment for the benefit of creditors or has had a receiver or custodian appointed for its property, the Investor shall retain an attorney to pursue claims to payment with respect to such Loan and foreclosure on the Secured Property in the bankruptcy court. For the avoidance of doubt, Activist Legal LPP does not practice bankruptcy law and shall not represent the Investor in any bankruptcy proceeding.

11.8. **Vacant Property Registration.** The Investor shall, at the Investor's own expense, either directly or through an agent selected by the Investor, undertake to fulfill any obligations for licensure, registration, property upkeep or other similar or associated requirements with respect to the Secured Property or REO under applicable law.

11.9. **Updates to Servicer.** The Investor shall, on no less than a weekly basis, securely forward to the Servicer electronic copies or images of all documents mailed, delivered, filed, published, or otherwise issued by the Investor or on behalf of the Investor in relation to the Loan(s) for inclusion in the loan servicing record. Additionally, the Investor shall, on no less than a weekly basis, securely forward to the Servicer a log of all Loan(s) related activity, broken down by loan number, detailing the date and description of activities conducted by the Investor or the Investor's authorized vendor. The Investor shall maintain a clear record of expenses incurred and paid for, inclusive of invoices clearly detailing the amount paid, the product or service rendered, the date of the transaction, and the identity of the vendor providing the product or service. Failure to provide such records may result in non-recoverability of costs and expenses incurred.

11.10. **Servicing Activities Reserved.** The Investor acknowledges that certain activities shall be reserved to the Servicer, including but not limited to phone calls with obligors, collections attempts, face to face meetings, loss mitigation activities, and any activity involving or related to any direct contact with the obligor or successor in interest to a borrower on any Loan(s). Any inadvertent or incidental contact between the Investor and a borrower shall be promptly reported to the Servicer for inclusion in the mortgage servicing record.

Initial here: to confirm you agree to the foregoing provision.

11.11. **Designation of Actions.** All Legal Actions of the Investor with respect to the Loan(s), the Secured Property, and the REO shall be taken in the name of the Owner, unless otherwise agreed by the Owner. If a Foreclosure Sale results in an award of legal title to the Secured Property, the Owner shall ensure that the REO is promptly deeded to the Investor upon fulfillment of any and all remaining obligations of the Investor under this Agreement.

12. **Advances for Standard Expenses.**

12.1. **In General.** The Investor hereby delegates authority to the Servicer to advance payment for any Standard Expenses for which a request procedure is not otherwise provided for in this Agreement, in the discretion of the Servicer, including but not limited to attorneys' or trustee fees and costs incurred in the execution of a Foreclosure Sale. The Servicer may, but shall not be required to, seek the approval of the Investor before paying one or more Standard Expenses. If the Investor does not respond to the Servicer's request within five business days, the Investor shall be deemed to have authorized the payment of such Standard Expenses.

Initial here: [REDACTED] to confirm you agree to the foregoing provision.

12.2. **Determination of Investor to Not Pay Standard Expenses.** The Investor may, upon request for approval under Section 12.1 by the Servicer or under its own initiative, elect to not pay one or more Standard Expenses. In that event the Investor shall be responsible for all penalties, losses, liabilities, claims, causes of action, damages, demands, additional taxes, fees, costs and expenses of whatever kind, arising out of or incurred in connection with such non-payment.

Initial here: [REDACTED] to confirm you agree to the foregoing provision.

13. **Records.** The Servicer shall maintain records of all servicing related transactions involving the Loan(s). The Servicer shall provide to the Investor such additional reports as the Servicer and the Investor shall mutually agree from time to time. The Investor shall provide such reports to the Owner or Servicer as the parties may mutually agree from time to time.

14. **Representations and Warranties.** Each party represents and warrants to the other party as follows:

14.1. **Authorization.** The execution and delivery of this Agreement and any other documents to which it is a party, and performance and compliance with the terms of this Agreement and the other documents to which it is a party have been duly authorized by all necessary action and will not violate Organic Documents, or constitute a default under any indenture or loan or credit agreement or any other material agreement, lease or instrument to which it is a party or by which it or its properties may be bound or affected.

14.2. **Enforceability.** This Agreement constitutes a valid, legal and binding obligation, enforceable in accordance with the terms hereof, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally or by common law/principles of equity as determined by a court of law in a proceeding or action in equity or at law.

14.3. **No Material Pending Litigation or Claims.** No material litigation, investigation, claim, criminal prosecution, civil investigative demand, imposition of criminal or civil fines and penalties, or any other proceeding of or before any arbitrator or governmental authority is pending or, to the best knowledge of the party, threatened by or against any party or any of its subsidiaries which could reasonably be expected to have a material adverse effect. No permanent injunction, temporary restraining order or similar decree has been issued against any party or any of its subsidiaries which could reasonably be expected to have a material adverse effect.

15. Confidentiality.

15.1. **Included Information.** For purposes of this Agreement, “Confidential Information” means any information specifically identified as confidential or proprietary or that a reasonable person would deem to be such, whether or not classified as a trade secret under applicable law, including financial information, disclosed and undisclosed business plans and strategies, financial data and analysis, data tapes, collateral documents, borrower information, business processes, procedures, operational guidelines, proprietary formulas, proprietary methods, proprietary documents, proprietary strategies, or similar types of information, and information relating to employees, contractors or customers, as well as any memo or other written materials incorporating such information.

15.4. **Confidentiality Obligation.** Each party agrees not to disclose Confidential Information of the other party, nor to use such Confidential Information for any purpose except the purposes anticipated by this Agreement. Each party shall safeguard the Confidential Information of the other party using no less care than it uses to safeguard its own Confidential Information, but in no event less than reasonable care. 15.6. **Injunctive Relief.** The parties acknowledge that a breach of the confidentiality provisions of this Agreement will cause the damaged party great and irreparable injury and damage, which cannot be reasonably or adequately compensated by money damages. Accordingly, each party acknowledges that the remedies of injunction and specific performance shall be available in the event of such a breach, in addition to money damages or other legal or equitable remedies.

16. **Limitation of Liability.** EXCEPT FOR CLAIMS ARISING FROM THE BREACH OF SECTION 15 (INVOLVING CONFIDENTIALITY), NO PARTY SHALL BE LIABLE UNDER ANY CIRCUMSTANCES (EVEN IF THIS AGREEMENT IS TERMINATED) FOR ANY CONSEQUENTIAL, SPECIAL, INCIDENTAL, PUNITIVE OR INDIRECT DAMAGES (INCLUDING WITHOUT LIMITATION LOSS OF PROFIT, REVENUE, BUSINESS OPPORTUNITY OR BUSINESS ADVANTAGE), WHETHER BASED UPON A CLAIM OR ACTION OF TORT CONTRACT, WARRANTY, NEGLIGENCE, STRICT LIABILITY, BREACH OF STATUTORY DUTY, CONTRIBUTION, INDEMNITY OR ANY OTHER LEGAL THEORY OR CAUSE OF ACTION, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND EVEN IF A REMEDY FAILS ITS ESSENTIAL PURPOSE.

18.4. **Arbitration.** Unless specifically stated otherwise in this Agreement, in the event of a dispute regarding this Agreement or the respective rights of the parties hereunder, the parties agree to submit such dispute exclusively to binding arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association ("AAA"). The site of such arbitration shall be in Cook County, Illinois, or the closest other site agreed to by the parties. This choice of venue is intended by the parties to be mandatory and permissive in nature and each party waives any right it has to assert the doctrine of forum non-convenience or similar doctrine or otherwise object to venue as stated herein. The arbitration panel shall consist of three arbitrators, one arbitrator to be selected by each party and the third arbitrator to be selected by the other two arbitrators. Any decision rendered by the arbitration panel pursuant to this provision shall be concurred in by a majority of the members of the panel. Judgment may be entered by any court of competent jurisdiction. Any such arbitration shall be restricted to the party filing the arbitration and shall not be a joint or multiple arbitration reflecting more than one party and shall be commenced within 15 days of selection of the arbitrator and the discovery rules contained in the Illinois Code of Civil Procedure shall apply to all such proceedings. Arbitration pursuant to this section shall be the exclusive means of resolving any dispute, claim or disagreement arising hereunder. The prevailing party in the arbitration shall be entitled to reimbursement from the other party for all costs of the arbitration including but not limited to fees and expenses paid to the AAA and its own reasonable attorneys' fees and costs.

18.5. **Forum Selection.** Notwithstanding the foregoing, with respect to injunctive relief sought pursuant to the confidentiality provisions of this Agreement, or to the extent any claims or controversies between the parties are not covered by and subject to mandatory arbitration under applicable law, the parties mutually agree that any such claims shall be brought exclusively in a court in the city and county of Chicago, Illinois or, if federal jurisdiction exists, the United States District Court for the Northern District of Illinois, and both parties submit and consent to jurisdiction of such courts and waive any objection to venue and/or any claim that the aforementioned forums are inconvenient.

18.6. **Language Construction.** The language of this Agreement shall be construed in accordance with its fair meaning and not for or against any party. The parties acknowledge that each party and its counsel have reviewed and had the opportunity to participate in the drafting of this Agreement and, accordingly, that the rule of construction that would resolve ambiguities in favor of non-drafting parties shall not apply to the interpretation of this Agreement.

18.7. **Force Majeure.** Neither party shall be entitled to recover damages or terminate this Agreement by virtue of any delay or default in performance by the other party (other than a delay or default in the payment of money) if such delay or default is caused by Acts of God, wars, insurrections and/or any other cause beyond the reasonable control of the party whose performance is affected; provided that the party experiencing the difficulty shall give the other prompt written notice following the occurrence of the cause relied upon, explaining the cause and its effect in reasonable detail. “Acts of God” or “Force Majeure” shall mean strikes, lockouts, sit-downs, material or labor restrictions by any governmental authority, riots, explosions, earthquakes, fire, acts of the public enemy, wars, insurrections, and/or any other cause not reasonably within the control of the affected party, or which by the exercise of due diligence the affected party is unable wholly or in part to prevent or overcome, except that such term shall not include the COVID-19 pandemic or other similar afflictions. Dates by which performance obligations are scheduled to be met will be extended for a period of time equal to the time lost due to any delay so caused. The parties shall make reasonable efforts to avoid the adverse impacts of a Force Majeure and to resolve the event or occurrence once it has occurred in order to resume performance.

18.8. **Payment of Fees.** In the event of a dispute arising under this Agreement, a prevailing party shall be entitled to recover reasonable attorneys’ fees and costs, provided that if a party prevails only in part, it shall be entitled to an award of such fees and costs in accordance with the relative success of each party.

18.9. **Signatures.** This Agreement may be signed (i) in counterparts, each of which shall be deemed to be a fully-executed original; and (ii) electronically, *e.g.*, via DocuSign or HelloSign. An original signature transmitted by facsimile or email shall be deemed to be original for purposes of this Agreement.

18.10. **No Third-Party Beneficiaries.** Except as otherwise specifically provided in this Agreement, this Agreement is made for the sole benefit of the parties. No other persons shall have any rights or remedies by reason of this Agreement against any of the parties or shall be considered to be third party beneficiaries of this Agreement in any way.

18.11. **Fiduciary Obligations.** The parties intend that neither this Agreement nor any course of dealing shall create fiduciary obligations.

18.12. **Binding Effect.** This Agreement shall inure to the benefit of the respective heirs, legal representatives and permitted assigns of each party, and shall be binding upon the heirs, legal representatives, successors and assigns of each party.

18.13. **Waiver of Jury Trial.** EACH PARTY HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

18.14. **Titles and Captions.** All article, section and paragraph titles and captions contained in this Agreement are for convenience only and are not deemed a part of the context hereof.

18.15. **Pronouns and Plurals.** All pronouns and any variations thereof are deemed to refer to the masculine, feminine, neuter, singular or plural as the identity of the person(s) may require.

18.16. **Entire Agreement.** This Agreement constitutes the entire agreement between the parties with respect to its subject matter and supersedes all prior agreements and understandings.

FPI COVERAGE PARAMETERS

COVERAGES

COVERAGE A - DWELLING

We cover:

1. The dwelling on the requested property, used principally for dwelling purposes; 2. Structures attached to the dwelling;
3. Materials and supplies on or adjacent to the property for use in the construction, alteration or repair of the dwelling or other structures on the property; and
4. Building equipment and outdoor equipment used for the service of and located on the property.

COVERAGE B - OTHER STRUCTURES

We cover other structures on the property, separated from the dwelling by clear space. Structures connected to the dwelling by only a fence, utility line or similar connection are considered to be other structures. Our maximum limit of liability is 10% of the Coverage A - Dwelling limit shown on the Mortgagor's Notice of Insurance for loss by a peril insured against to other structures described in this Coverage B. Payment under Coverage B - Other Structures reduces the amount payable for loss under Coverage A - Dwelling.

We do not cover structures:

1. Used in whole or in part for commercial, manufacturing or farming purposes;
2. Rented to or held for rental for any person not a tenant of the dwelling, unless used solely as a private garage; or
3. Such as fences, satellite dishes, antennas or radios and television towers separated from the dwelling.

OTHER COVERAGES

1. Debris removal: We will pay the reasonable expenses actually incurred for the removal of debris from a property following a covered loss. Payment under this coverage reduces the limit of recovery applying to the damaged property.
2. Reasonable repairs: We will pay the reasonable cost for necessary repairs made solely to protect the property covered by this section from further damage if the original damage was caused by a peril insured against. Payment under this coverage reduces the limit of recovery that applies to the property being repaired.

PROPERTY AND COVERAGES NOT INCLUDED

We do not cover:

1. Land, including land on which the dwelling is located.
2. Personal property, unless added by endorsement.
3. Fair rental value coverage for any part of a dwelling rented or held for rental by the mortgagor, while that part of the dwelling is uninhabitable, unless added by endorsement.
4. Additional living expenses incurred by any mortgagor when a loss caused by a peril insured against makes the **property** unfit for its normal use, unless added by endorsement.
5. Outdoor swimming pools, pumps, heaters and other related equipment.
6. Grass, trees, shrubs, and landscaping of any kind.

PERILS INSURED AGAINST

We insure for risk of direct physical loss to insured property under this section except:

1. Losses excluded under EXCLUSIONS;

 - b. The water supply is shut off and the system and appliances are drained;
3. Freezing, thawing, pressure or weight of water or ice, whether driven by wind or not, to other structures;
 4. Theft of any property, which is not actually part of any dwelling or other structure;
 5. Theft in or to a dwelling or other structure under construction or renovation. This exclusion remains in effect until the construction or renovation to the dwelling or other structure is complete and the dwelling or other structure is occupied;
 6. Wind, hail, ice, snow or sleet to outdoor radio and television antennas and aerials including their lead-in wiring, masts or towers;
 7. Continuous or repeated seepage or leakage of water or steam over a period of time from within a plumbing, heating or air conditioning system, or household appliance;
 8. Wear and tear, marring, deterioration; inherent vice, latent defect, mechanical breakdown; smog, rust or corrosion, fungus, wet rot, dry rot or bacteria; mold; smoke from agricultural smudging or industrial operation; discharge, dispersal, seepage, migration, release or escape of pollutants.
Pollutants means solid, liquid, or gaseous matter including smoke, vapors, soot, fumes, acids, alkalis, chemicals toxic matter or waste material (including materials to be recycled, reconditioned, or reclaimed), or oil or other petroleum substances or derivatives (including any oil refuse or oil mixed with waste). If any of these cause water damage not otherwise excluded from a plumbing, heating, air conditioning, automatic fire protective sprinkler system, or household appliance, we cover loss caused by the water including the cost of tearing out and replacing any part of a building necessary to repair the system or appliance. We do not cover loss to the system or appliance from which the water escaped;
 9. Settling, shrinking, bulging or expansion, including resultant cracking, of pavements, patios, foundations, walls, floors, roofs or ceilings. Damage caused by birds, vermin, rodents, insects or domestic animals is also excluded. If any of these cause water damage not otherwise excluded from a plumbing, heating, air conditioning, automatic fire protective sprinkler system, or household appliance, we cover loss caused by the water including the cost of tearing out and replacing any part of a building necessary to repair the system or appliance. We do not cover loss to the system or appliance from which the water escaped; or
